1   Overview

1.1 Introduction

The Federal TRIO Programs, within the Office of Postsecondary Education (OPE) at the United States Department of Education (ED), has designed the Student Support Services Online Web Tool so that grantees can prepare and submit the Annual Performance Report (APR) data.

1.2 Accessing the Site

The APR site is available at the following URL: https://trio.ed.gov/sss

An Internet browser is required to access, complete and submit the SSS APR. Netscape and Internet Explorer (IE) are acceptable (and common) browsers that may be used to access the SSS APR Web site.

The Home page ("Index" page) for the SSS APR Web site is shown below.

➤ **Important Dates**

- Each SSS grantee must complete and submit this report by:
  December 13, 2013

➤ **Reminders:**

- This Web site contains links to the forms and instructions needed to prepare and submit on-line the annual performance report for SSS for program year 2012-13. Before accessing the Web site, you should download, for your reference, an electronic copy or print a hard copy of the report using the link "2012-13 SSS APR" above.

- We strongly advise grantees to register on the site immediately so the information is available when you are ready to begin your APR submission and to avoid delays during the last week of submission.

- All grantees must register for a userid and password each year in order to protect the security of the annual performance report data. Register by clicking on the "Register Here Each Year" link. As part of initial registration, you must select and answer two security questions. You will be required to provide responses to these questions should you need to use the Forgot Password link to receive a new, temporary password. In most cases, you will not have to call the Help Desk in the event you have forgotten your password.

Begin Completing your Annual Performance Report (APR):

- To begin completing your APR, click on the "Register Here Each Year" link to register.

- **IMPORTANT:**
  - Four-year institutions: You must retain student records for a period of six years from the time the student was first served.
  - Two-year institutions: You must retain student records for a period of four years from the time the student was first served.

1.3 Features of the Site

There are several features of the site. They are summarized below.

1.3.1 Standard Objectives Report

The information in this report was retrieved from the approved *"Student Support Services Program Profile"* of the application package as provided by the project; Grantees will be able to view the report when this tab is clicked.

1.3.2 Individual Participant Data (Section II of the APR)

The record structure for the participant list (Section II) contains 36 fields. The participant data file must include all 36 fields in the same order as listed in Section II.

You must submit the participant list in either Excel or CSV format. Column names in the file must match the "Database Column Names" provided in a downloadable document, accessible through the *Section II - Individual Record Structure* hyperlink on the main Section II page of the APR. The names and order of the columns must match the record structure outlined in the Individual Record Structure document. The system will identify and inform you of any errors in your record structure.

The Web application provides four options for starting the data submission process for Section II:

- Download an Excel file of the 2011-12 SSS APR data; update the file and then upload directly to the Web form.
- Upload an Excel/CSV file directly to the Web form. Please make sure that the file uploaded accurately reflects the correct new field order and field names are spelled correctly.
- Transfer certain data fields from the Tier 1A data file and update and add records online.
- Enter participant data directly into the Web form.

If you are unable to prepare an Excel (or CSV) file using your existing database, you have the option of transferring last year's data directly into the Web form or entering student data directly into the Web form.

For security purposes, the participants' social security numbers (SSNs) have been removed from the Excel files with last year's submitted data, which are available to download from the site. You must enter each participant's social security number before uploading the updated file.

After successfully uploading, transferring, or entering participant data, the Table View screen displays. It is sorted by Data Validation Error. You may click on the other column headings to sort in a different order. The only column by which you may not sort is First Name.

1.3.3 Participant List and Data Error Report (Section II of the APR)

Once the file is uploaded or the data are entered online, a participant report will be generated that lists all of the participants on your data file. To view this report, you must be in Section II, which is the window that displays the Table View. For each participant record with errors, the report will display the specific data field(s) that require corrections.

1.3.4 Review and Submit Process

The APR submission process includes a two-tiered system for evaluating the quality of the participant data.

The first tier data checks include the following:

- **Cohort Comparison Report.** The purpose of this report is to ensure that no additional students who were not part of the 2011-12 APR cohorts are added to the 2012-13 APR cohorts as doing so may impact your prior experience points. This report compares the number of students in your 2012-13 APR data file submission to that of the 2011-12 APR data by the Cohort year.

  In addition, the Cohort Comparison Report provides information on:
  (1) the number of students for whom you provided project services in 2012-13 that fall outside the cohorts,
  (2) new participants served in 2012-13, and
  (3) new summer participants served in 2012-13.

- **Funded Rate and Eligibility Report**. Provides information on the: (a) number and percent of participants funded to serve and served and (b) number and percent of participants served who were low-income and first-generation, students with disabilities (including disabled students who were also low income), and if applicable, (c) number and percent of all disabled students who were also low-income. If your funded rate is below 100%, you will be asked to review the data file to determine if you correctly updated the participant status field and/or included records for all participants served in 2012-13. You will also be given an opportunity to review the data and make the necessary changes to your data file if you did not meet your funded numbers. If you determine that the data file is correct, you will be asked to provide an explanation for the low funded rate.

- **Critical Fields report.** Provides a percentage of participant records with "unknown/no response" for nine data fields that we have determined are critical for analyzing project and program outcomes. Since "unknown/no response" do not provide usable information for data analysis, we are asking you to review fields for which 10% or more of the records have "unknown/no response" and either correct (or update) the data or provide an explanation as to why the data are not available.

You will be required to correct data errors in the participant data file and pass the first tier data checks prior to submitting the APR.

After the initial submission of the APR, the second tier data checks compare the 2012-13 participant data with your 2011-12 data file. If you did not submit an acceptable participant data file in 2011-12, you are excluded from these data quality checks.

The second tier data checks include the following:

- **Match to Prior report.** Compares the participants on the 2012-13 APR with the 2011-12 data for your project to ensure that you have included the required participants on the 2012-13 file. For 4-year institutions this includes all participants in the 2012-13 APR data file with cohorts between 2007-08 and 2011-12. For 2-year institutions this includes all participants in the 2012-13 data file with cohorts between 2009-10 and 2011-12. For those participants for whom you are required to provide information and who are not included in the 2012-13 will be displayed on the screen. You must add all the student records on this report to the 2012-13 file and update the data fields for these participants.

- **Student Cohort Year report.** This report compares the data provided in field #21 (Student Cohort Year) of both your 2012-13 and 2011-12 APR data your project submitted. Those participants on the 2012-13 data file whose student cohort year (field #21) is different from the 2011-12 data are displayed on the screen. Please note that once the cohort year has been established you are not allowed to change it.

2011-12 Prior Experience (PE) Points report. After you successfully submit your APR, the system will generate a report that shows the Prior Experience (PE) points earned for the 2012-13 reporting (assessment year). Your PE points are calculated using the student-level data you submit via the online system for reporting period 2012-13 and are based on your project's approved objectives. The Department will not accept any changes to the project's 2012-13 data once you have completed the submissions of your 2012-13 APR.

The APR will not be accepted until the participant data file passes both the Tier 1 and Tier 2 edits.

2 Registration for First Time Users

Grantees are required to register on the site before receiving their userid and password. An overview of the registration process follows. **Note**: Even if you registered last year, you must register again in order to access the 2012-2013 APR Website.

Registration Online. In order to receive a userid and temporary password, grantees must register online via the *Register Here Each Year* link provided on the index page of the APR Website. To register, grantees must provide the first and last name of the director, along with

the e-mail address and the PR number and choose the security questions and answers which will be used in the 'Forgot Password' feature of the web site.

Verification Process. If the director's last name and e-mail address match what ED has on file, a user name and temporary password will be e-mailed to the director's e-mail address. Upon receipt of the e-mail containing the userid and temporary password, grantees can return to the APR site and login.

If the **project information does not** match what ED has on file, a request for verification will be sent to the program specialist and the help desk. *Please note that even long running projects may fail the registration process due to incorrect names and/or e-mail addresses on file (for example, the director e-mail address has changed or is misspelled).*

Upon receipt of the verification request, the **program specialist** must verify the identity of the director and forward a response to the help desk within 72 hours.

Upon receiving verification from the program officer, **Help Desk staff** will update the director's information in the system and notify the grantee to return to the site to register for a userid and temporary password.
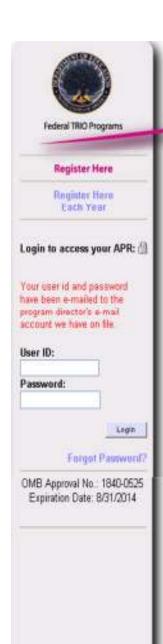

To register, click on the *Register Here Each Year* link on the left-hand side of the index page of the SSS APR Web site. The **User Registration** page is shown below. Enter all of the requested information then click on the "***Submit***" button.

2.1 Successful Registration

If the director's information passes the validation process, the following screen displays, notifying you that the userid and temporary password have been sent to the director:

2.2 Unsuccessful Registration

If the information you provided does not pass the validations, the following screen displays:

Director's information provided does not match the records in the system.

Registration Failed

The information you entered on the project director does not match the information on file. The information on file may not reflect recent changes in the project director and/or e-mail address. An e-mail will be sent to your program specialist requesting verification of the information you submitted.

Upon verification from your program specialist, the Help Desk will contact you using the e-mail address you provide below. Please allow 24 hours for verification and a response.

You may contact the TRIO Help Desk for further assistance but keep in mind that we can not disclose username and passwords over the phone or without further verification from your Program Specialist.

If you are a new project director, you must contact your program specialist in addition to submitting the form below.

Please enter the following contact information and then click on "Submit" button to process the verification request with your Program Specialist.

OR

If you want to go back and try again, click the "Go back to registration form" button.

3   Logging in to the Site

3.1 First Time Login

After you receive the userid and temporary password, enter this information on the index page. You will be taken to the **First Time Login** page, which displays below:

Enter the temporary password provided to you, then enter a new password. Any new password you enter must be at least eight characters, and include the special characters listed on the **First Time Login** page. Enter the new password once again, along with the other requested information, and click on the "*Submit*" button. You will be redirected to the index page, where you will enter the userid and the new password you selected. The screen will be displayed as follows:

If an incorrect userid and password combination are entered, you will be redirected to the index page and an error message will be displayed.

3.2 PR Number Confirmation

If the userid and password are entered successfully, the **PR Number Confirmation** page displays:

Verify that the PR number is correct. If it is not the correct PR number for your institution, click the "*Cancel*" button to log out and return to the index page. If it is correct, click on the "*Continue*" button.

3.3 Forgot Password

If you forget your password after you have logged in and changed your password from the temporary one issued to you, you may click on the *Forgot Password?* hyperlink on the index page. Projects may now reset their password without having to call the TRIO Helpdesk for assistance. Upon registering, projects will be prompted to provide answers to two self-selected security questions. These security questions will need to be answered if a project forgets their password in order to have your password e-mailed to you. The following page displays:

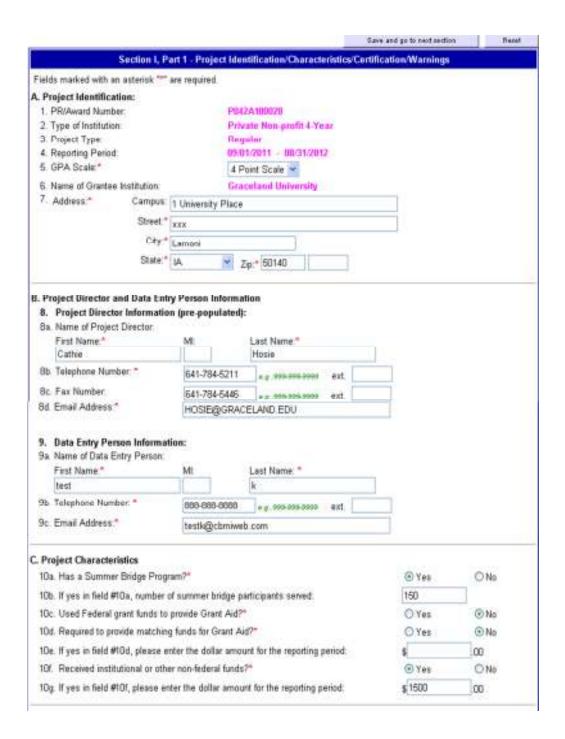

Once you enter the information in the above screen and click 'Submit', the following screen appears. You have to enter the answers for the Security questions.

4   Navigating through the Site

Upon entering the site, the **Section I – Project Identification, Certification and Warning and Project Required Services** page shown will be displayed:

Section I, Part 1 - Project Identification/Characteristics/Certification/Warnings

C. Project Characteristics

10a. Has a Summer Bridge Program?* ⦿ Yes   ○ No

10b. If yes in field #10a, number of summer bridge participants served: `150`

10c. Used Federal grant funds to provide Grant Aid?* ○ Yes   ⦿ No

10d. Required to provide matching funds for Grant Aid?* ○ Yes   ⦿ No

10e. If yes in field #10d, please enter the dollar amount for the reporting period: $_____ .00

10f. Received institutional or other non-federal funds?* ⦿ Yes   ○ No

10g. If yes in field #10f, please enter the dollar amount for the reporting period: $`1500` .00

To navigate between sections I, II, Standardized Objectives Report or the Review and Submit of the APR, click on the individual tabs at the top of the screen titled accordingly. The section name highlighted in *light blue* is the current Section. All other sections will have a *dark blue* background.

The grantee's PR/Award number and name are displayed on the upper left side of the screen.

On the upper right-hand side of the screen are five hyperlinks:

- The **Report Problem** link allows grantees to report a specific problem with the site to the Help Desk;

- **Contact Help Desk** allows grantees to generate an e-mail message to the Help Desk requesting assistance;

- The **SSS Instructions** link takes grantees to the Department of Education (ED) site's Student Support Services page where the APR instructions and participant record structure can be found.

- The **SSS APR Web Site User Guide** allows the grantees to download a copy of the user guide.

- The **Log Out** link logs the grantee off the application and returns to the index page.

These links are also provided at the bottom of the screen, as are the Section tabs.

Once you have completed a section, click on the "*Save and go to the next section*" button. All sections have validation edits for certain fields that will prevent users from submitting their file if a response is not provided.

The "*Reset*" button will erase any unsaved values entered.

5   Section II – Record Structure for Participants

The SSS Online Data Collection Tool assists grantees in submitting the required information on current and prior participants served during the project year. To access Section II, click on the *Section II* tab at the top of the screen to go to the main screen.

When Section II tab is clicked, the following screen displays as follows.

Grantees should have both the SSS APR instructions and the Record Structure document in front of them before beginning this section. Both documents are available via the hyperlinks (in blue) on the **Section II** page.

Beginning with the 2010-11 APR reporting period, projects were required to include, on their APR data files, all of the participants that were served in the timeframe needed to calculate prior experience (PE) points. Therefore,

- **4-year institutions** must retain student records for a period six years, which means that in addition to new participants served in 2012-13, grantees must include all project participants whose student cohort year is between 2007-08 and 2011-12.
- **2-year institutions grantees** must retain student records for a period of four years, which means that in addition to new participants served in 2012-13, grantees must include all project participants whose student cohort year is between 2009-10 and 2011-12.

5.1 Getting Started with Section II

- Click on the "*Getting Started*" button to begin or continue with the participant data collection process.

The Section II – Record Structure for Individual Participants Getting Started screen displays:

The four options for starting the submission process are:

- **Download an Excel** file of the 2011-12 SSS APR data file; update the file and then upload the file directly to the Web form.

- **Upload an Excel/CSV** file directly to the Web form.

- **Transfer** last year's data submission to the Web form and update/add records online.

- **Enter Participant Data** directly into the Web form.

Note: The participant social security numbers (SSNs) have been removed from the Excel files containing last year's data. This has been done for security purposes to better protect the personal information contained on the data file and prevents inadvertent misuse of information provided by the Department. However, the participant data file you prepare for the 2012-13 APR and upload should include the SSNs of all participants, as this is the primary identifier used to match participant records across project years.

Once the file has been downloaded, you will then need to update the prior year's data and if required add records for new participants. After revising the file, you will then return to the Web site and upload it as an Excel spreadsheet or CSV file.

If you are unable to prepare an Excel (or CSV) file using your existing database, you have the option of transferring last year's data directly to the Web form for updating or entering the participant data directly into the Web form.

5.1.1 Continue Participant Data

The system detects whether you have already begun the data collection process and provides you with the additional option to *Continue*. If this is the case, after clicking on the "*Getting Started*" button on the main Section II page, you have the option of continuing with your data, or you can use any of the other options (e.g., download, upload, etc.) available. Please note that the *Continue* option only appears after logging back in, that is, after initially beginning work on the data and logging out of the system.

Please see below for a sample screen showing the *Continue* option:

To continue working on your participant file, click on the "**Continue**" button to proceed to the **Section II - Record Structure for Individual Participants Review Participant List and Data Error Report (Table View)** screen. See *Section 5.2* of this document for further information on this screen.

5.1.2 Download Last Year's Data to an Excel File

This option allows you to download last year's data as an Excel file for updating offline -- either as an Excel file or by importing into an existing database application (e.g., ACCESS).

This file will include the fields required by the 2012-13 APR. Grantees that did not submit an APR for 2011-12, can download an Excel spreadsheet template with column headers. To download last year's data file, click on the "**Download Data**" button. A blue hyperlink file (example: *P042AYYXXS9_2011_12.xls*) will appear on the screen. To open the file, click on the hyperlink.

To save the file to your desktop, right click using your mouse and select the "Save Target As" option as shown below. Select a location on your desktop (e.g., My Documents) to save the file.

You can then open the file on your desktop using Excel and update the data. Once you have updated the information, return to this page and select the "Upload" option to continue with the APR submission. Alternatively, you can click on the file name hyperlink to open it, and then save it to your desktop.

5.1.3   Upload an Excel File to the Web Data Entry Form

This option allows you to upload the 2012-13 file in an Excel spreadsheet format or as a CSV file. A CSV file is a comma delimited text file in which each field is separated by a comma. Most databases can covert a file to either CSV format or as an Excel spreadsheet. Instructions for creating a CSV file are available via the *What is a CSV file?* hyperlink on the page.

To upload a file, use the "***Browse***" button to select the location (on your desktop) of the file you want to upload. This function works like the File-Open command used when opening a Microsoft Office document. After selecting the file to upload, click on the "***Open***" button. The file name and path will be displayed on the screen. Click on the "***Upload File***" button to proceed.

An uploaded Excel file should contain all 36 fields required by the APR, in the order specified. New grantees should follow the order specified with the column names as outlined on the record structure document. If the file you uploaded meets these requirements, you will proceed to the **Review Participant List and Data Error Report (Table View)** screen. See this document's *Section 5.2* for further information on this screen.

If your file does not meet these requirements, a screen displays, similar to the following, outlining where the problems with your file occurred:

Click on the "*Go Back*" button to return to the **Getting Started** screen. You must correct any errors displayed on this screen before proceeding. Return to your spreadsheet (or other application) and correct any errors, then return to the **Section II – Getting Started** screen to continue with the upload process.

5.1.4   Transfer Last Year's Data to the Web Data Form

The 2011-12 Participant Data submitted last year is available. To transfer last year's data to the web data entry form for online data entry, click the "Transfer Data" button.
Last year's data may contain errors which the web tool will display. You will be required to correct all errors prior to submitting.

Click on the "*Transfer Data*" button to proceed to the **Review Participant List and Data Error Report (Table View)** screen. See this document's *Section 5.2* for further information about his screen.

5.1.5   Enter New Participant Data

This option allows you to enter participant data directly on the Web form. Click on the "*Add New*" button to proceed to the Web form as shown below. The participants' First and Last Name, DOB, SSN, and Student Cohort Year must be the same as those that appear in the Tier 1A file. If you are a newly funded project, please disregard these instructions.

See *Section 5.3* below for further information about this screen.

5.2 Review Participant List and Data Error Report (Table View) Screen

Grantees who selected the *Continue*, *Upload*, or *Transfer* options on the **Getting Started** screen will proceed to the **Table View** screen shown below. This screen lists the participants in the file, the total number of participants in the file, any formatting or value errors, any data validation errors, and provides a printable report of those errors.

Search for Participant Record

Use the search feature to search for a participant by first name, last name and/or SSN. To return to the Table View (list of all students), click on the **Display all Students** button.

You have the following options when editing the participant errors:

- If you uploaded or transferred your file, you may edit your data offline and re-upload the data file by returning to "Section II - Getting Started".
- To identify the participant records with errors, you will need to scroll through several Web pages (each page displays 25 records).
- You may click on the "printable version" hyperlink to print the complete participant list to view which records have data error(s).
- You may also sort on "Invalid Format/Value Error or Data Validation Error" by clicking on the column title hyperlinks.

Or you may edit the data directly on the Web application:

1. You may click the Last Name hyperlink to edit participant data or correct data errors.
2. You may click the "✗" image in the "Delete" column to delete a participant data record.
3. You may click the "Add Participant" button to add a new participant data record.
4. You may sort by Last Name, Invalid Format/Value Error, Data Validation Error, Message, or Record Number by clicking on the column title hyperlinks.

If you have a large number of participant records with errors, we recommend correcting the data offline and uploading a corrected file.

This report also displays three types of errors: (1) invalid data format/values, (2) data validation errors, and (3) soft check validation error (Message). You must correct all the data errors in (1) invalid data format/values and (2) data validation errors before you will be able to submit the APR.

- An invalid format/value error occurs when the data field(s) for the participant record includes a value(s) other than one of the "Valid Field Content" options provided in column 4 of Section I—Record Structure for Participant List of the APR. To correct these types of errors online, click on the Last Name hyperlink to view an individual record and then enter a valid format/value in the identified data field(s).
- A data validation error identifies conflicting data provided in two or more data fields. By clicking on the Last Name hyperlink to view the individual record, you will see an error message that explains the error. You may then correct the data online.
- A soft check validation error (Message) is similar to data validation error, but the system does not require you to correct the error before APR submission. However, for data quality purposes, it is strongly recommended that error is resolved.

If you uploaded participant data, the Record Number column will display the record numbers in your upload file for each individual participant record. The record numbers will help you to find the records with errors easily if you want to correct errors offline.

Back to Top

Twenty-five records display on each screen. To view additional students, click on the *Prev* or *Next* links on the right corner of the screen.

The **Table View** screen is sorted by Data Validation Error. You may click on the other column headings to sort in a different order. The only columns by which you may not sort are First Name.

To view a participant's record, click on the *Last Name* hyperlink. This will direct you to the Web form where you can begin to either enter new information or update the participant record.

To delete a participant record, in the Table View screen, click on the "✗" image in the "Delete" column for that participant.

To delete a participant record from the individual participant screen (web form), click on the "Delete" button located next to the SAVE button on the bottom of the screen.

To add a participant record in the Table View screen, click on the "***Add Participant***" button at the bottom of the screen. This will direct you to the Web form where you can begin to enter

information for the participant. See *Section 6.3* of this document for further instructions about the participant data Web form.

To search a participant by last name, first name or SSN, enter the name/SSN and click on 'Search' button. If you want to see all the students on the screen, click on 'Display all Students' button.

 To generate a printable report of the errors on the file, click on the *Printable Version – Participant List Report* link on the right side of the screen.

The screen displays three types of errors: (1) invalid data format/values; (2) data validation errors; and (3) soft check validation errors (Message). With the exception of the soft check validation errors, you must correct invalid data format/values and data validation errors before you will be able to submit the APR. The number in the column represents the field that contains the error.

- An invalid format/value error occurs when the data field(s) for the participant record includes a value(s) other than one of the "Valid Field Content" options provided in column 4 of Section III of the APR. To correct these types of errors online, you may click on the *Last Name* hyperlink and then enter a valid option or text, if applicable, in the identified data field(s).
- A data validation error identifies data fields that are in conflict with data you provided in another data field. By clicking on the *Last Name* hyperlink, you will see an error message that explains the error. This message will appear in red below the participant's SSN. You may then correct the data online.
- A soft check validation error represents validations that should be checked for accuracy; the data, however, may be correct. If correct, the data would not need to be changed.

If there are a large number of participant records with errors, grantees can correct the data offline and upload a corrected file. To obtain a download of the file, which will contain any updates the grantee has entered, click on the "***Download Participant Data***" button under the participant list. After editing the data offline, grantees should return to the **Section II – Getting Started** screen to upload the revised file. See *Section 5.1.3* for further instructions on uploading a file.

Grantees viewing the screen for the first time should click on the *See more navigational instructions and information about data errors* hyperlink at the top of the page. This link will provide you with valuable information about navigating the site.

Grantees can click on the *Back to Top* hyperlink to return to the top of the page and edit participant records.

5.3 Web Data Entry Screen

Grantees can access the Web data entry screen by:

- Selecting "Add New" on the **Section II - Getting Started** screen.
- Clicking on the *Last Name* hyperlink for a participant (on the **Table View** screen).

The screen is shown below.

Grantees viewing the screen for the first time should click on the *See more navigational instructions and information about data errors* link at the top of the page. This link will provide you with valuable information about navigating the screens.

The participant data has been divided into four sections/tabs - *Personal, Enrollment, Academic/Degree/Persistence* and *Financial*. The Web form displays the participant's name and social security number, if provided, on the left side of the screen, below the tabs. The current screen is highlighted in light blue, while the other sections remain dark blue.

- To navigate through the sections and view the data provided in each section, click on the *Personal, Enrollment, Academic/Degree*, or *Financial* tab.
- To make changes to any field for a participant, use the pull-down menus provided, or enter text as appropriate (e.g., Last Name).
- To save changes, click on the "*Save*" button or click on another tab.
- To delete a record, click on the "*Delete*" button.

- To reset the data after making changes, without saving, click on the "**Reset**" button.
- To go to another participant's record, click on the *Next* or *Previous* link.
- To return to the **Table View** screen, click on the "**Back to Table View**" button at the bottom of the screen.

5.3.1 Duplicate Social Security Numbers (SSN)

If the system determines there are duplicate social security numbers in the file, a screen similar to the one below will be displayed. You will be required to fix the error before returning to the **Table View** screen.

To change the SSN for a participant, click on the *Last Name* hyperlink and change the SSN on the Web data entry form. If the participant record is a duplicate, you can click on the "✗" image in the "Delete" column to delete the record. Once the duplicate SSN error has been fixed for the applicable participants, clicking on the "**Back to Table View**" button will display all participants.

6 Standardized Objectives Report

After completing Section II, grantees will view their Standardized Objectives Report.

Description
In this section, the approved number of participants to be served (funded number) and the project objectives for your project for this grant award cycle (2010-2015). This information was retrieved

from the approved **"Student Support Services Program Profile"** of the application package as provided by the project.

Navigation

Users can go to this page by clicking on the "Standardized Objectives Report" tab on top. The following screen will be displayed:

7 Review and Submit (Tier 1)

To begin the APR submission process, click on the *Review and Submit* tab. The sample page displays below. An explanation of the two-tiered system required for submission is included on the page. Your APR is not considered complete until you have finished the entire process for evaluating the participant data.

To continue with the APR submission, click on the "**Start Submission**" button at the bottom of the page.

7.1 Review and Submit – Step 1

The **Review and Submit – Step 1** screen will be displayed as shown below. Grantees must complete both sections and pass all validation checks in order to proceed with the APR submission.

Green check marks display for those sections that have been completed and have passed the data validation error checks. The pink "✗"s display for those sections that are NOT complete. To return to a section to complete it, click on the appropriate section tab at the top of the screen.

When both sections are complete, the **Review and Submit – Step 1** screen displays as shown below, with green check marks next to each section indicating it has been completed. To proceed with the APR submission, click on the "***Continue***" button.

7.2 Review and Submit – Step 2 Cohort Comparison Report

The second step of the Tier 1 process is the **Cohort Comparison Report**.

The following screen displays:

Section I | Section II | Standardized Objectives Report | Review & Submit

PR/Award Number: P042A110000
Name of Grantee: Blackfeet Community College

Review and Submit: Tier 1

Step 2 - Cohort Comparison Report

Comparison of Participants in Your 2012-13 APR Data File Submission
vs. the 2011-12 File by Cohort Year
(2-Year Institutions)

| Cohort Year	Number of Participants in Your 2012-13 APR Data File	Number of Participants in your 2011-12 APR Data File
2009-10	88	88
2010-11	79	79
2011-12	93	92
Total	**260**	**259**

Additional Information Regarding Your 2012-13 APR Data File Submission

Number of participants prior to the 2009-10 cohort = 188

Number of New Participants = 0

Number of New Summer Participants = 0

WARNING! WARNING! WARNING!

The "Number of Participants in Your 2012-13 APR Data File" does not match the "Number of Participants in Your 2011-12 APR Data File" for cohort year(s) 2011-12. This can occur if: (1) you deleted records that were on your 2011-12 data file; (2) you added records that were not in your 2011-12 data file, and/or (3) you have duplicate records.

If you deleted records that were on your 2011-12 APR file, you can either click on the "Go Back to Section II" button and add the records back or click on the "Confirm" button and in Tier 2 (Match-To-Prior Report), the records that are missing will be displayed, at which point you will be asked to add the records back.

Please be advised that by adding records to pre-established cohorts this may impact your **Prior Experience (PE)** points. Therefore, if you inadvertently added records to the cohort(s) mentioned above, please select "Go Back to Section II " and delete the record(s) accordingly. If you concur with the additional records to the cohort(s), please select "Confirm".

By selecting "Confirm", the records that are being added become part of your data file. Therefore, please be advised that once you add records to the cohort(s) you will not be allowed to drop these records in subsequent reporting periods.

Hint: To identify the additional records on your 2012-13 APR, compare your 2013-13 APR data file to your 2011-12 APR data file. If you do not have your 2011-12 APR data file readily available, you may download the file by going back to the Getting Started page and selecting Download.

[Go back to Section II]   [Confirm]

7.3 Review and Submit – Step 3 Funded Rate and Eligibility Status

The third step of the Tier 1 process is the **Funded/Served Rate Report and Eligibility Status Report**. The following screen displays:

- The eligibility status codes are derived from field #15 and are:
  1 = Low-Income and First-Generation,
  2 = Low Income Only,
  3 = First-Generation Only,
  4 = Disabled, and
  5 = Disabled and Low Income.

- The student's cohort year codes are derived from field #21 and are:
  1 = Other(prior to 2005-06)
  7 = 2005-06
  8 = 2006-07
  9 = 2007-08
  10 = 2008-09
  11 = 2009-10
  12 = 2010-11
  13 = 2011-12
  14 = 2012-13

Please review the information carefully and

- verify the participant and eligibility status codes are correct.
- verify that all students reported as current participants (1, 2, 8, or 9) were actually served during this reporting period.
- verify that you correctly updated the participant status field for all participants served in a previous reporting period.
- provide an explanation if you did not meet the number of participants funded to serve.

The Funded Rate and Eligibility Report compares:

- the number of current year participant records on the data file with the number of participants the grantee was approved to serve in 2011-12,
- the number and percent of participants who are first-generation and low-income, and
- The number and percent of participants who disabled and disabled and low-income.

If your funded rate is below 100%, you will be asked to review certain aspects of your data. You will also be given an opportunity to review the data and make the necessary changes to your data file if you did not meet your funded numbers. If you determine that the data file is correct, you will be asked to provide an explanation for the low funded rate.

The information provided in the section **"2/3 Eligibility Requirement: First-generation and low-income, and/or students w/disabilities including students with disabilities who are also low-income"** is based on the project meeting the two-thirds eligibility requirement (i.e., 66% or greater). To determine whether your project met this requirement, the column: "Number first-generation and low-income, and/or disabled including disabled who are also low-income" was divided by the column: "Number of Current Participants Served."

The information provided in the section **"1/3 Eligibility Requirement: Disabled students w/disabilities who are low-income"** is based on the project meeting the one-third disabled and low-income requirement (i.e., 33% or greater). This requirement is only applicable for projects that served disabled students; therefore, if any disabled students were served at least one-third must also be low-income. To determine whether your project met this requirement, the column: "Number of students w/disabilities who are also low-income" was divided by the column: "Number of students w/disabilities (including disabled and low-income)".

If your project did not meet the requirements mentioned above, please verify that the participant and eligibility status codes for each current participant for whom you provided information are correct. Your "current participants", are coded in field 22 as a 1, 2, 8, or 9.
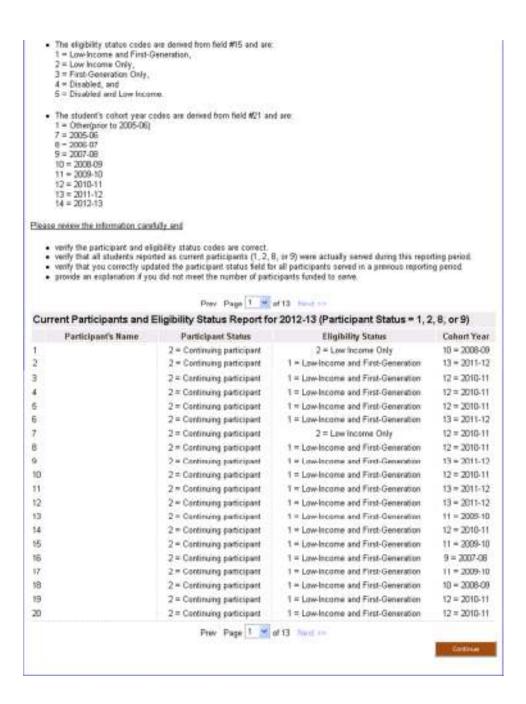

The screen below displays information on the project's funded number, two-thirds, and one-third disabled and low-income requirement. Also displayed is the list of current participants included on your file and their eligibility status. Current participants are those participants who have been coded as 1, 2, 8 or 9 in the Participant Status (field 22) and coded as a 1, 2, 3, 4, or 5 in the Eligibility Status field (15).

To change the participant or eligibility status of a participant, click on the *Participant's Name* hyperlink to return to the Section II Web form (shown below) and update the Participant Status Code (field 22) and/or Eligibility Status (field 15).

Once you have made the necessary changes on this screen, click on the "**Back to Funded/Served**" button to return to the Funded Rate Report screen. Click on the "**Continue**" button to proceed.

If the Funded-to-Serve rate is still too low, you must either continue to correct the participant data or provide an explanation in order to proceed with the APR submission. A grantee may have a calculated funded rate below the established range in some circumstances. In these situations, you can provide an explanation for the discrepancy between the funded number and the number served. You can type your explanation in the text box provided at the bottom of the screen. A project is not required to provide an explanation if they do not meet their two-thirds and/or one-third eligibility requirements.

Review and Submit: Tier 1

Step 3-Funded Rate and Eligibility Status Table and Current Participants Report

2012-13 Funded Rate and Eligibility Table

The table below provides information on the: (a) number and percent of participants funded to serve and served and (b) number and percent of participants served who were low-income and first-generation, students with disabilities (including disabled students who were also low income), and if applicable, (c) number and percent of all disabled students who were also low-income. As noted below, the one-third eligibility requirement only applies if the project served at least one disabled student.

The information provided in the section **"Number of Participants Funded to Serve & Served"** is based on serving at least as many participants (i.e., 100%) were served as the project was funded to serve.

The information provided in the section **"2/3 Eligibility Requirement: First-generation and low-income, and/or students w/disabilities including students with disabilities who are also low-income"** is based on the project meeting the two-thirds eligibility requirement (i.e., 66% or greater). To determine whether your project met this requirement, the column: "Number first-generation and low-income, and/or disabled including disabled who are also low-income" was divided by the column: "Number of Current Participants Served."

The information provided in the section **"1/3 Eligibility Requirement: Disabled students w/disabilities who are low-income"** is based on the project meeting the one-third disabled and low-income requirement (i.e., 33% or greater). This requirement is only applicable for projects that served disabled students; therefore, if any disabled students were served at least one-third must also be low-income. To determine whether your project met this requirement, the column: "Number of students w/disabilities who are also low-income" was divided by the column: "Number of students w/disabilities (including disabled and low-income)".

Please review the information contained in the table below. If your project did not meet the requirements mentioned above, please verify that the participant and eligibility status codes for each current participant for whom you provided information are correct. Your "current participants", are coded in field 22 as a 1, 2, 8, or 9.

Funded Rate and Eligibility Status Table							
Number of Participants Funded to Serve & Served			2/3 Eligibility Requirement: First-generation and low-income, and/or students w/disabilities including students with disabilities who are also low-income		1/3 Eligibility Requirement: Disabled students w/disabilities who are low-income*		
Number Funded to Serve	Number of Current Participants Served	Percent Served	Number of first-generation and low-income, and/or disabled including disabled who are also low-income	2/3 Eligibility Percent	Number of students w/disabilities (including disabled and low-income)	Number of students w/disabilities who are also low-income	1/3 Eligibility Percent
170	117	68%	103	88%	3	3	100%

*The requirement only applies if at least one disabled student was served. If no disabled students were served, then the requirement does not apply.

2012-13 Current Participants and Eligibility Status Report

The report below provides a list of your new, continuing, and new (summer only) participants (1, 2, 8, or 9) along with the participant's eligibility status and student's cohort year.

- Your current participants are derived from field #22, Participant Status, and are coded as follows:
  1 = New participant (for this reporting period; part of the 2012-13 cohort)
  2 = Continuing participant
  8 = New Summer participant—Earned College Credits (2011 summer session only; part of 2013-14 cohort)
  9 = New Summer participant—**Did not** Earn College Credits (2011 summer session only; part of 2013-14 cohort)

- The eligibility status codes are derived from field #15 and are:
  1 = Low-Income and First-Generation,
  2 = Low-Income Only,
  3 = First-Generation Only,

4 = Disabled, and
5 = Disabled and Low Income

- The student's cohort year codes are derived from field #21 and are:
  1 = Other(prior to 2005-06)
  7 = 2005-06
  8 = 2006-07
  9 = 2007-08
  10 = 2008-09
  11 = 2009-10
  12 = 2010-11
  13 = 2011-12
  14 = 2012-13

Please review the information carefully and

- verify the participant and eligibility status codes are correct.
- verify that all students reported as current participants (1, 2, 8, or 9) were actually served during this reporting period.
- verify that you correctly updated the participant status field for all participants served in a previous reporting period.
- provide an explanation if you did not meet the number of participants funded to serve.

There are some circumstances in which a grantee may have a calculated funded rate outside the established range. In these situations, you must provide an explanation for the large discrepancy between the funded number and the number served. Type your explanation in the text box below (limit 1,000 characters and spaces).

[Submit Explanation and Continue]

Click on the "*Submit Explanation and Continue*" button to proceed.

7.4 Review and Submit – Step 4 Critical Fields Verification Report

The next step of the Tier 1 process is the **Critical Fields Verification Report**. The Critical Fields report provides a percentage of participant records with "unknown/no response" for nine data fields that have been determined as critical for analyzing project and program outcomes. Since an "unknown/no response" does not provide usable information for data analysis, we ask that you review fields for which 10% or more of the records have "unknown/no response" and either correct (or update) the data or provide an explanation as to why the data is not available.

If no explanation is required for the Critical Fields, the following screen will be displayed.

Click on the "*Continue*" button to proceed.

If an explanation was entered on the Funded Rate Report, the screen will be displayed noting that TRIO will review the explanation (as shown on the screen below):

If the file contains at least one critical field where 10% of the responses are unknown or have no response, an explanation box on the screen indicating that the data must be corrected or an explanation should be provided.

Review and Submit: Tier 1

Step 4 - Critical Fields Verification Report

The Department has identified the following seven (7) fields as critical in calculating project and program outcomes and wants to ensure a minimal number of "No Response/Unknown" entries in each field. In most cases, "No Response/Unknown" is a valid response; however, high percentages of these responses are not in the project's best interests. The table below lists the critical fields and the number and percentage of participants with a "No Response/Unknown" entry in that field. If you have critical fields with a high percentage of "No response/Unknown", we recommend correcting the data offline and uploading the corrected file. You may return to Section II to update any fields with a "No Response/Unknown" entry.

You have 448 participant records.

Field No.	Field Name	Number with No Response/Unknown	Percent
7.	DOB	0 records	0%
23.	Enrollment Status (at end of the 2012-13 academic year)	149 records	33%
24.	Academic Standing	0 records	0%
30.	Transfers	348 records	78%
31.	Degree/Certificate Completed	348 records	78%
32.	Date of Undergraduate Degree/Certificate	0 records	0%
34.	Persistence status (at the beginning of 2013-14 academic year)	151 records	34%

Type in your explanation in the text box below. Your explanation will be reviewed by TRIO.

Submit Explanation and Continue

To change a participant's record, click on the *Section II* hyperlink to return to the Section II Web form. Once you have made the necessary changes on this screen, click on the *Review and Submit* tab to resubmit your data.

If any of the nine Critical Fields still has 10% or more unknown/no responses, you must either continue to correct the data or provide an explanation in order to proceed with the APR submission. You can type your explanation in the text box provided at the bottom of the screen.

Click on the "***Submit Explanation and Continue***" button to proceed.

7.5 Review and Submit – Step 5

In the next step of the Tier 1 process, you can obtain a copy of your APR and Section II data for your records.

Review and Submit: Tier 1
Step 5

Obtain a PDF containing your project's Section I information, Cohort Comparison Report, Funded Rate and Eligibility Status Table and Current Participants Report, and Critical Fields Report. Also, you may download an Excel file of your project's 2012-13 APR data (Section II) for your records.

The information obtained is intended for authorized users only. Disclosure of any information obtained for any purpose other than for authorized use can result in criminal prosecution.

Obtain Annual Performance Report PDF

Click on Display Report PDF to display a printable version of sections I and II and the Report on Number Funded to Serve and Prior Experience Standard Objectives of the APR in PDF format. Adobe Acrobat Reader is required to view the file. To download a free copy, go to the Adobe web site.

Generate Excel file for Section II - Individual Participant Data for 2012-13

You may obtain the data you entered in Section II - Individual Participant File for 2012-13 in an Excel file for your records. To obtain the data, click the "Download Data" button. Then click on the file name to open the file or right click on it to save the file on your PC.

To obtain the data, click the "Download Data" button. Then click on the file name to open the file or right click on it to save the file on your PC.

To obtain a hard copy of the APR, click on the *Display Report PDF* hyperlink under the "Obtain Annual Performance Report PDF" heading. The report will display as a PDF image. Adobe Acrobat Reader is required in order to view the file and can be downloaded from the Adobe site via the hyperlink on this page.

Once the PDF report displays, select "File-Print" from the menu to print the report or click on the printer image.

To obtain an Excel file of the 2011-12 data file, click on the "**Download Data**" button. A blue hyperlink file (example: *P042AYYXXS9_2012-13.xlsx*) will appear on the screen.
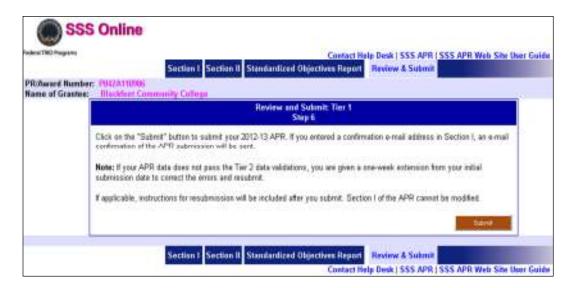

To open the file in your browser window, click on the hyperlink.

To save the file to your desktop, right click using your mouse and select the "Save Target As" option as shown below. Select a location on your desktop (e.g., My Documents) to save the file.

Once you have printed a copy of the APR for your records and downloaded the Excel data version, you can click on the "**Continue**" button to proceed with the Review and Submit process.

7.6 Review and Submit – Step 6

In this final step of Tier 1, you can submit your APR.

To submit the APR, click on the "**Submit**" button.

7.7 Review and Submit - APR Submitted Screen

The APR is not considered complete until the participant data passes the second tier data checks. If the checks show no further revisions are necessary or you are a new grantee, the APR submission process is complete.

If the Section II participant data does not pass the Tier 2 checks, you must revise and resubmit your Section II within one week. A screen similar to the one below will display:

Please note that any changes to the participant data file, the participant data error report and the Tier 1 and Tier 2 data quality reports will be run again. If there are additional data errors, you must correct these prior to resubmitting your APR.

Click on the "*Continue*" button to proceed to Tier 2 and view the **Match to Prior** and **New Participant Reports** and review further instructions for resubmission.

8 Tier 2 - Submission Verification Reports

The second tier data checks include Match to Prior report and Student Cohort Year report.

8.1 Match to Prior Report

The Match to Prior report compares the participants on the 2012-13 APR with the participants on the 2011-12 APR to ensure that grantees have included in the APR all the participants on the 2011-12 data file that fall within the required cohorts.
Those 2011-12 participants not included on the 2012-13 file are displayed on the screen. To include a participant for 2012-13, click on the individual checkbox then click on the "Update 2012-13 file" button. To add all of the participants listed on the **current page** click on the "Check All on Current Page" button. Once you have clicked on the "Check All on Current Page", you must click on the "Update 2012-13 file" button.

8.2 Student Cohort Year Report

This report compares the data provided in field #21 (Student Cohort Year) of both your 2012-13 and 2011-12 APR data your project submitted. Those participants on the 2012-13 data file whose student cohort year (field #21) is different from the 2011-12 data are displayed on the screen. Please note that once the cohort year has been established you are not allowed to change it.

If all participants' student cohort year data (field #21) on your 2012-13 data file matches the 2011-12 data file, no Cohort Year Report is produced. A screen such as the one below will display:

Click on the "**Continue**" button to proceed to the next step.

8.3 Cohort Comparison Report (Tier 2)

Once all the participants have been included in the MTP file or the cohort year has been updated, you will continue to the Tier 2 Cohort Comparison report. At this point, the system will run all reports again and will include any updates or revisions made resulting from the Tier 2 changes.

Tier 2 - Submission Verification Reports

Tier 2 - Cohort Comparison Report

Comparison of Participants in Your 2012-13 APR Data File Submission
vs. the 2011-12 File by Cohort Year
(2-Year Institutions)

Cohort Year	Number of Participants in Your 2012-13 APR Data File	Number of Participants in your 2011-12 APR Data File
2009-10	88	88
2010-11	79	79
2011-12	93	92
Total	**260**	**259**

Additional Information Regarding Your 2012-13 APR Data File Submission

Number of participants prior to the 2009-10 cohort = 188
Number of New Participants = 0
Number of New Summer Participants = 0

WARNING! WARNING! WARNING!

The "Number of Participants in Your 2012-13 APR Data File" does not match the "Number of Participants in Your 2011-12 APR Data File" for cohort year(s) 2011-12. This can occur if: (1) you deleted records that were on your 2011-12 data file, (2) you added records that were not in your 2011-12 data file, and/or (2) you have duplicate records.

If you deleted records that were on your 2011-12 APR file, you can either click on the "Go Back to Section II" button and add the records back or click on the "Confirm" button and in Tier 2 (Match-To-Prior Report), the records that are missing will be displayed, at which point you will be asked to add the records back.

Please be advised that by adding records to pre-established cohorts this may impact your **Prior Experience (PE)** points. Therefore, if you inadvertently added records to the cohort(s) mentioned above, please select "Go Back to Section II" and delete the record(s) accordingly. If you concur with the additional records to the cohort(s), please select "Confirm".

By selecting "Confirm", the records that are being added become part of your data file. Therefore, please be advised that once you add records to the cohort(s) you will not be allowed to drop these records in subsequent reporting periods.

Hint: To identify the additional records on your 2012-13 APR, compare your 2012-13 APR data file to your 2011-12 APR data file. If you do not have your 2011-12 APR data file readily available, you may download the file by going back to the Getting Started page and selecting Download.

8.4 Funded Rate and Eligibility Status Report (Tier 2)

Funded Rate report displays the number of participants your institution was funded to serve, the number of current students included on your file, and your funded-to-serve rate. Also displayed is the list of current participants included on your file. Current participants are those participants who have been coded as 1, 2, 8 or 9 in the Participant Status Code field (field 22). The total number of current participants should be equal to or close to the number your institution has been funded to serve.

The report compares the number of current year participant records on the data file with - the number of participants the grantee was approved to serve in 2011-12, the number and percent of participants who are first-generation and low-income, and the number and percent of participants who are disabled and disabled and low-income.

 If your funded rate falls below 100%, you will be asked to review the data file to determine if you correctly updated the participant status field and/or included records for all participants served in 2011-12. If you determine that the data file is correct, you will be asked to provide an explanation for the high or low funded rate.

The information provided in the section **"2/3 Eligibility Requirement: First-generation and low-income, and/or students w/disabilities including students with disabilities who are also low-income"** is based on the project meeting the two-thirds eligibility requirement (i.e., 66% or greater). To determine whether your project met this requirement, the column: "Number first-generation and low-income, and/or disabled including disabled who are also low-income" was divided by the column: "Number of Current Participants Served."

The information provided in the section **"1/3 Eligibility Requirement: Disabled students w/disabilities who are low-income"** is based on the project meeting the one-third disabled and low-income requirement (i.e., 33% or greater). This requirement is only applicable for projects that served disabled students; therefore, if any disabled students were served at least one-third must also be low-income. To determine whether your project met this requirement, the column: "Number of students w/disabilities who are also low-income" was divided by the column: "Number of students w/disabilities (including disabled and low-income)".

If your project did not meet the requirements mentioned above, please verify that the participant and eligibility status codes for each current participant for whom you provided information are correct. Your "current participants", are coded in field 22 as a 1, 2, 8, or 9.

To change the status of a participant, click on the *Participant's Name* hyperlink to return to the Section II Web form (shown below) and update the Participant Status Code (field 22).

Tier 2-Funded Rate and Eligibility Status Table and Current Participants Report

2012-13 Funded Rate and Eligibility Table

The table below provides information on the: (a) number and percent of participants funded to serve and served and (b) number and percent of participants served who were low-income and first-generation, students with disabilities (including disabled students who were also low income), and if applicable, (c) number and percent of all disabled students who were also low-income. As noted below, the one-third eligibility requirement only applies if the project served at least one disabled student.

The information provided in the section **"Number of Participants Funded to Serve & Served"** is based on serving at least as many participants (i.e., 100%) were served as the project was funded to serve.

The information provided in the section **"2/3 Eligibility Requirement: First-generation and low-income, and/or students w/disabilities including students with disabilities who are also low-income"** is based on the project meeting the two-thirds eligibility requirement (i.e., 66% or greater). To determine whether your project met this requirement, the column: "Number first-generation and low-income, and/or disabled including disabled who are also low-income" was divided by the column: "Number of Current Participants Served."

The information provided in the section **"1/3 Eligibility Requirement: Disabled students w/disabilities who are low-income"** is based on the project meeting the one-third disabled and low-income requirement (i.e., 33% or greater). This requirement is only applicable for projects that served disabled students; therefore, if any disabled students were served at least one-third must also be low-income. To determine whether your project met this requirement, the column: "Number of students w/disabilities who are also low-income" was divided by the column: "Number of students w/disabilities (including disabled and low-income)"

Please review the information contained in the table below. If your project did not meet the requirements mentioned above, please verify that the participant and eligibility status codes for each current participant for whom you provided information are correct. Your "current participants", are coded in field 22 as a 1, 2, 8, or 9.

Funded Rate and Eligibility Status Table							
Number of Participants Funded to Serve & Served			2/3 Eligibility Requirement: First-generation and low-income, and/or students w/disabilities including students with disabilities who are also low income		1/3 Eligibility Requirement: Disabled students w/disabilities who are low-income*		
Number Funded to Serve	Number of Current Participants Served	Percent Served	Number of first-generation and low-income, and/or disabled including disabled who are also low-income	2/3 Eligibility Percent	Number of students w/disabilities (including disabled and low-income)	Number of students w/disabilities who are also low-income	1/3 Eligibility Percent
170	117	68%	103	88%	3	3	100%

*The requirement only applies if at least one disabled student was served. If no disabled students were served, then the requirement does not apply.

2012-13 Current Participants and Eligibility Status Report

The report below provides a list of your new, continuing, and new (summer only) participants (1, 2, 8, or 9) along with the participant's eligibility status and student's cohort year.

- Your current participants are derived from field #22, Participant Status, and are coded as follows:
    1 = New participant (for this reporting period; part of the 2012-13 cohort)
    2 = Continuing participant
    8 = New Summer participant—Earned College Credits (2011 summer session only; part of 2013-14 cohort)
    9 = New Summer participant—**Did not** Earn College Credits (2011 summer session only; part of 2013-14 cohort)

- The eligibility status codes are derived from field #15 and are:
    1 = Low-Income and First-Generation,
    2 = Low Income Only,
    3 = First-Generation Only,

4 = Disabled; and
5 = Disabled and Low Income.

- The student's cohort year codes are derived from field #21 and are:
  1 = Other(prior to 2005-06)
  7 = 2005-06
  8 = 2006-07
  9 = 2007-08
  10 = 2008-09
  11 = 2009-10
  12 = 2010-11
  13 = 2011-12
  14 = 2012-13

Please review the information carefully and

- verify the participant and eligibility status codes are correct.
- verify that all students reported as current participants (1, 2, 8, or 9) were actually served during this reporting period.
- verify that you correctly updated the participant status field for all participants served in a previous reporting period.
- provide an explanation if you did not meet the number of participants funded to serve.

There are some circumstances in which a grantee may have a calculated funded rate outside the established range. In these situations, you must provide an explanation for the large discrepancy between the funded number and the number served. Type your explanation in the text box below (limit 1,000 characters and spaces).

```
text
```

Submit Explanation and Continue

If the rate does not fall within the established threshold, you will need to verify the participant status code for each of your participants.

If the rate is low, this may indicate that not all participants have been included on the file or that some participants have been misreported as prior participants.

If the rate is high, this may indicate that some participants have been misreported as current participants.

To change the status of a participant, click on the *Last Name* hyperlink to return to the Section II Web form and update the Participant Status Code (field 22) and any other fields as necessary.

Once you have made the necessary changes on this screen, click on the "***Back to Funded/Served***" button to return to the Tier 2 Funded Served Report.
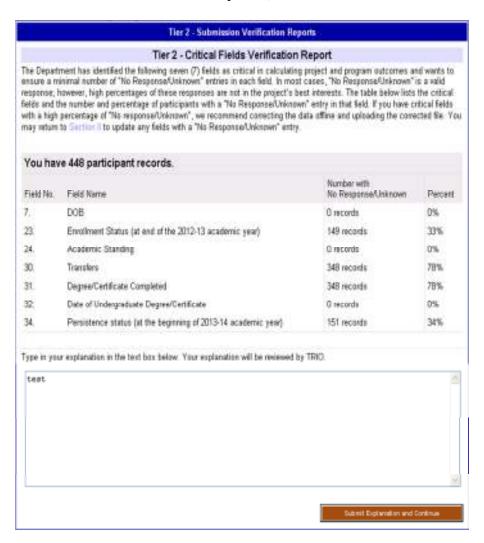

Click on the "***Continue***" button to proceed to the Tier 2 Critical Fields Verification Report.

Click on the "***Submit Explanation and Continue***" button to proceed to the Tier 2 Critical Fields Verification Report for Tier 2.

8.5 Critical Fields Report (Tier 2)

The Critical Fields report provides a percentage of participant records with "unknown/no response" for nine data fields that have been determined as critical for analyzing project and program outcomes. Since an "unknown/no response" does not provide usable information for data analysis, we ask that you review fields for which 10% or more of the records have "unknown/no response" and either correct (or update) the data or provide an explanation as to why the data are not available.

If an explanation was entered on the Funded Rate Report, it will be noted on the screen under the "Tier 2- Funded Rate Report" heading. Otherwise, the number of students funded to serve, the number of current students reported, and the funded-to-serve rate will be displayed.

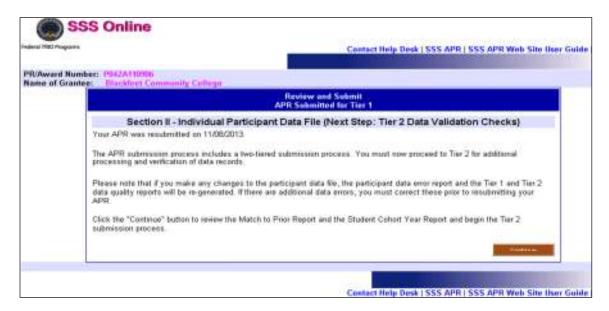

If the file contains at least one critical field with 10% or greater of "unknown/no response", an explanation box will be displayed on the screen indicating that you must either correct the response or provide an explanation.

To change a participant's data, click on the *Section II* hyperlink to return to the Section II Web form.

You have the option of changing the data by using the Last Name hyperlink for each participant listed. You can also click on the "***Download Participant Data***" button to download the file and edit offline. Once the changes have been made, you can upload the file using the "***Upload File***" button. See *Section 6.1.2* for further instructions on how to download a file and *Section 6.1.3* for instructions on how to upload a file.

Once you have made the necessary changes, either online or by editing offline, return to the Tier 2 reports by clicking on the "***Go back to Tier 2***" button. The following screen displays:

Click on the "***Continue***" button to proceed through the data quality checks. For each screen, you must do one of the following before proceeding to the next screen: (a) meet the established threshold; (b) update or revise participant data to meet the requirements; or (c) provide an explanation as to why your file does not meet the established threshold.

The following screen displays when the APR is successfully submitted:

The APR has been successfully submitted. No additional revisions are required. An e-mail is sent to the project director and, if provided, to the data entry person entered on Section I.

To view the hard copy of the APR, including the Section I signature page, click on the hyperlink "*P042AYYXXS9_2012-13_final.pdf*". The APR will display as a PDF.

Adobe Acrobat Reader is required to view PDF files and can be downloaded from the Adobe site via the hyperlink on this page. Once the PDF is displayed, select "File-Print" from the menu to print the report or click on the printer image.

To download an Excel version of the 2012-13 data file, click on the "***Download Data***" button. A blue hyperlink file (example: *P042AYYXXS9_2012-13_final.xlsx*) will appear on the screen.

To open the file in your browser window, click on the hyperlink.

To save the file to your desktop, right click using your mouse and select the "Save Target As" option. Select a location on your desktop (e.g., My Documents) to save the file.

Upload Section I signature page:
Click on the '*here*' hyperlink for a printable version of the signature page of Section I. After you have obtained the signatures, please upload this page in the APR site. TRIO help desk will verify that the document you uploaded is a signed copy of Section I of your APR and will contact you via email if there are any problems with the document you uploaded.

Click on the "***Log Out***" button to end the session and return to the SSS home page. No further revisions to your file can be made.

8.6 Prior Experience (PE) Points Report (pdf)

After you successfully submit your APR, the system will generate a report that shows the Prior Experience (PE) points earned for the 2012-13 reporting (assessment year). Your PE points are calculated using the student-level data you submit via the online system for reporting period 2012-13 and are based on your project's approved objectives. The Department will not accept any changes to the project's 2012-13 data once you have completed the submissions of your 2012-13 APR. The report is shown below:

U.S Department of Education
Office of Postsecondary Education/Federal TRIO Programs
Student Support Services (SSS) Program
Individual Prior Experience (PE) Points Report
2012-13 Reporting (Assessment) Year

PR/Award Number:
Grantee:
State: TX
Sector: Public 4-Year
First Funded in FY 2010: No

Introduction

The Prior Experience (PE) points earned for the 2012-13 assessment year were awarded on the basis of serving the approved number of students and meeting or exceeding the project's approved objectives. The Department calculated the PE points using student-level data as reported in the project's 2012-13 annual performance report (APR). For a summary of policies and procedures for assessing a project's prior experience and the formulae for calculating PE points, please see the Appendix.

The Department will not accept any changes to the project's 2012-13 APR data after the APR is submitted.

A project that served less than 90 percent of the number of students the project was funded to serve in 2012-13 (refer to Funded Number in table below) is not eligible to earn points for any of the PE criteria in this assessment year (see 34 CFR 646.22(b)).

To be eligible to earn PE points for the attainment (degree) criteria, a project must have submitted an APR for the year in which the cohort was established. A project first funded in 2010-11 is not eligible to earn PE points for these criteria in the 2012-13 assessment year.

Summary of PE Scores for 2012-13 Assessment Year				
PE Criteria	Maximum Points Allowed	Approved Rate	Actual Attained Rate	PE Points Earned
Persistence	4	85%	87%	4
Good Academic Standing	4	85%	87%	4
Bachelor's Degree	4	20%	10%	0
Funded Number	3	Number of Participants Funded to Serve	Number of Participants Served	Percent Served	3
		275	541	196%	
Total Points	15				11

PR/Award Number:
Grantee:
State: TX
Sector: Public 4-Year
First Funded in FY 2010: No

Funded Number

The Funded Number Criterion is based on the project having served the approved funded number of participants. To earn PE points, the actual number served must be equal to or greater than the number of participants the project was funded to serve. For a detailed description on how this criterion was calculated, please see the Appendix, under *"How is the Funded Number Criterion Calculated?"*

Funded Number Criterion for 2012-13 PE Assessment Year Maximum Points Allowed: 3			
Number of Participants Funded to Serve	Number of Participants Served	Percent Served	PE Points Earned
275	541	196%	3

Persistence

The Persistence Rate for a 4-year institution is defined as the percentage of all participants served by the SSS project in the reporting year who enroll at the grantee institution in the fall term of the next academic year or graduate with a bachelor's degree during the reporting year.

The Persistence Rate for a 2-year institutions is the percentage of all participants served in the reporting year who enroll at the grantee institution in the fall term of the next academic year or graduate with an associate's degree or receive a certificate and/or transfer from a 2-year to a 4-year institution by the fall term of the next academic year. For a detailed description on how the rate was calculated, please see the Appendix, under *"How is the Persistence Rate Calculated?"*

Note: The Actual Persistence Rate is calculated based on the greater of the number of participants funded to serve or the number of participants served.

2012-13 Prior Experience (PE) Assessment Score: Persistence Maximum Points Allowed: 4					
Number of Participants Funded to Serve	Number of Participants Served	Number Persisted	Approved Persistence Objective	Actual Persistence Rate	PE Points Earned
275	541	473	85%	87%	4

PR/Award Number:
Grantee:
State: TX
Sector: Public 4-Year
First Funded in FY 2010: No

Good Academic Standing (GAS)

Good Academic Standing (GAS) is defined as the percentage of participants served by the SSS project who met the performance level required to stay in good academic standing at the grantee institution. For a detailed description on how the rate was calculated, please see the Appendix, under *"How is the Good Academic Standing Rate Calculated?"*

Note: The Good Academic Standing Rate is calculated based on the greater of the number of participants funded to serve or the number of participants served minus any new summer participants served by the project that did not earn college credit. If applicable to your project, the Numbers of Participants Funded to Serve and the Number of Participants Served shown in the table below do not include the new summer participants that did not earn college credit.

2012-13 Prior Experience (PE) Assessment Score: Good Academic Standing (GAS) Maximum Points Allowed: 4					
Number of Participants Funded to Serve	Number of Participants Served	Number in GAS	Approved GAS Objective	Actual GAS Rate	PE Points Earned
275	541	470	85%	87%	4

Bachelor's Degree Attainment (4-year institutions)

Bachelor's degree attainment is defined as the percentage of new participants served in the Cohort Year who graduate with a bachelor's degree within six reporting years. For a detailed description on how the rate was calculated, please see the Appendix, under *"How is the Bachelor's Degree Attainment Rate Calculated?"*

Note: If your project was first funded in 2010-11, the project is not eligible to earn PE points for this criterion.

2012-13 Prior Experience (PE) Assessment Score: Bachelor's Degree Attainment Maximum Points Allowed: 4					
Cohort Year	Number of Participants in Cohort	Number of Participants Attaining Bachelor's Degree	Approved Bachelor's Degree Objective	Actual Bachelor's Degree Attainment Rate	PE Points Earned
2007-08	60	6	20%	10%	0
